Agenda

Since the last meeting was skipped since the PSU students had a full week and could not make the meeting, so we held the meeting a little late.

During the following meeting Filippo and Matteo shared the status of the application development, which is far ahead of the initial plan.

In addition, the whole team rehearsed the presentation for the Mid Term presentation.

Discussed next steps.

Actions

Filippo: Resolve the problem of the autocomplete dropdown.

Matteo: Create Empty Fridge Screen, wait for design from PSU students.

Matteo and Filippo: Start testing the application on the iOS and Android simulators.

PSU Students:

Start testing the app using Expo for general feedback.

Provide feedback and bug reports

Alexa: Design the Onboarding Screen for the application

Sydney: Design the Empty Fridge Screen

Stephen: Review the English of the application and suggest corrections
